

CALLUM LEWIS

VISUAL EFFECTS - MOTION GRAPHICS

I am a final year visual effects and animation undergraduate specialising in visual effects and motion graphics. With experience in team based projects throughout University, I excel in a leadership role found through working as a vfx supervisor on my latest project. In order to improve my abilities, I am looking for a job that will allow me to express my love of compositing and utilise my natural ability to learn technical skills.

Software

Adobe Photoshop
 Adobe Premiere
 Adobe After Effects
 Adobe Illustrator
 Nuke / NukeX
 Autodesk Maya
 Cinema4D
